

easter egg affirmation cards

HOW TO USE: Print out on white paper. Cut out each 'affirmation card' and put in easter eggs. Add the eggs to your hunt or put in an Easter basket! You can also tape these to your little's mirror or a place they can see them daily. These also make adorable gift tags for all ages! Don't forget to tag @tassel_and_trim on instagram so we can see how you used your cards!
