

HELLO LOVELY! Enjoy this 5x7 Tassel + Trim Shop art print by using as event decor, framing and giving it as a gift or print and jot a love letter on the back! I recommend printing on white card stock and cutting with a paper cutter if available. I plan to frame mine and setting next to a pretty display of donuts for a Valentine's morning surprise.

Don't forget to tag @tassel_and_trim on Instagram so I can see how you use yours!
